

January 5, 2010

To Indian Lake Parents:

Please be advised of our school's dismissal procedures due to inclement weather conditions and/or if busses cannot run their routes.

1. **Indian Lake will dismiss one hour later than the announced time given by any media (television, radio, internet) for Sumner County.** The delayed dismissal time is due to sharing busses with Ellis Middle School and Hendersonville High School.
2. Please inform your child who will pick them up from school if Indian Lake dismisses early due to weather conditions or if there will be no bus service available.

EXAMPLE: If an announcement is made via television or radio that Sumner County Schools will dismiss at 10:00 a.m., Indian Lake will dismiss at 11:00 a.m.

If an announcement is made that Sumner County Schools will dismiss two hours early, Indian Lake will dismiss at 1:30; or if dismissal is announced for one hour early – we will dismiss at 2:30, etc.

Please call our office if you have any questions regarding these procedures. Thank you for your cooperation in helping us follow these important dismissal instructions.

Jewell McGhee
Principal
